Re: **OUR PROFOUND GRATITUDE**

Dear Donors,

On Sunday, 14th February 2010, we received a book donation of seventy-nine books from Dordrecht - Bamenda Foundation, the Netherlands. This donation was presented by Dr. Roselyne M. Jua of the Faculty of Arts University of Buea. We presented this donation to the college community on Monday, 15th February 2010 and the students and staff welcomed it with heavy applause.

On behalf of the college, I write to register our profound and abiding gratitude for this very significant donation which will go a long way to improve our academic standards.

With every blessing.

Reverend Father Michael Kintang
(Principal)
